A26992

Leader in Biomolecular Solutions for Life Science

www.abclonal.com

PIGR Rabbit mAb

Catalog No.: A26992 Recombinant 1 Publications

Basic Information

Observed MW
Refer to figures

Calculated MW
83kDa

Category
SMab Recombinant Monoclonal Antibody

Applications
IF/ICC,ELISA

Cross-Reactivity
Rat

Background

This gene is a member of the immunoglobulin superfamily. The encoded poly-Ig receptor binds polymeric immunoglobulin molecules at the basolateral surface of epithelial cells; the complex is then transported across the cell to be secreted at the apical surface. A significant association was found between immunoglobulin A nephropathy and several SNPs in this gene.

Recommended Dilutions

IF/ICC	1:50 - 1:200
ELISA	Recommended starting concentration is 1 μg/mL. Please optimize the concentration based on your specific assay requirements.

Immunogen Information

Gene ID
5284

Swiss Prot
P01833

Immunogen
Recombinant protein (or fragment).This information is considered to be commercially sensitive.

Synonyms
PIGR

Product Information

Source
Rabbit

Isotype
IgG

Purification
Affinity purification

Storage
Store at -20℃
